JOURNEY WITH LOVE

SPA Treatment | 60 - 90 Minutes

The signature spa treatment is a 60 to 90 minutes long session. Specific techniques, products and scents are combined to curate these unique experiences dedicated to bereaved family. Every treatment includes a facial, body massage, dressing and make-up done with premium spa products and conducted by an all-female team of therapist and embalmer. Each treatment session will be done with family involvement for a part of filial and coping with grief.
